_/___/202 Doy: Essay In a family, the elders, who are the same of income, have the authority to make rules while the rest of the members have to obey. They implement theis decisions on others due to their leverage. They break the same rules, when it come in conflict to their personal of Conflict TO Their personal of family interest. They have the powers to make perce of a enemity with nighbours and other illatives. In the same way, world's Super powers have the influence to make peace in the world. In Jetth century, world had seen two world wars due to show and wars due to clash of interests of the great powers. In Contemporary epoch, the political and elementic clart enables them to play a crucial role in the peace of the world. These powers have the authority to ensure peace and stability around the grobe. They have the advantage to play its role & in the Oradicating of the poverty, usbing the tessorium, avoid gate climate disasters, preventing ethno nationalism and resolving the tersitorial issues multilatesally in anordance with he over
