DAIL.	-
Time is ticking towards the 2030,	
the deadline set by the United	
Nations to acheire global women	
Nations to acheire global momen rights. Yet the world has still to	
do more to acheive goal. Women	
around the world are Josen in -	
many fields and professional life	the state
is one of them. According to the	
United Nation is report, the pace	
at which the world is working for	
global women rights it would not	
fulfill its target till 2151. Corrently	•
we are in 21st century, everything	
has advanced and updated upto	
modern requirement but women	
around the world still taking	
issues in every sphere of life, 0	
particularly in professional life.	
The progress of any country is	
linked with the progress of	
women as vida Kirishna, an author	
said that we have a hope of	9
peace leger by women or we	
the importance of women in	3
	<u>, </u>
progress, Women is marginalized	
all over the world and monifestate	my .
of professional morginalization are	

DATE: __/__/_ but still remain world population side side of on the losing due to multiple professional life factors. droin d Currently is facing challenges. the world According to Global Grander Grap report 12023, women age from faces three type of biasdness: Berood, economical, political and educational The UN 2023 goals include fulfillment of rights it manifestor in women advanced to has The world women still next level behind all. Following paragraphs will shed light on the mantestations that women remain of the losing side of professional life. Firstly, there is a large income gap between mades and females. Although edocation and experience are some but gap in incomes is still there. Its per that report of the world Brak males are earning \$1% more than females. Thus, a large gop in incomes make women

to remain on the losing side	
of professional life.	
Becondy, women has less	
oppurtunities for career growth	
as compased to pren. According	
to the report of Al-Jazcera,	
in Arch construct when hover has	
limited appurtunities for growth	1
of their professions. An inequal	
limited opportunities for growth of their professions, An onequal carrer opportunities est one pushing	
back women to homes.	
Thirdly women is viction	
of hangement all workplaces.	
This leads to resignation from	
This leads to resignation from the gobs.	
The Digital Fot Right Foundation	
2023 rerealed oport that 2400	
women in Pariston es Ailed	
a complaints against mon for	
horrayment. So, harrassment al	
workplaces is another monifestation	
of women remaining on the	
losing vide of profession life.	
Moreover, women take cultural	
hurdles in growth of hex

environment.	
Morevier, gender biarness	
is a hurdle in professional	

DATE: __/__/__

	growth of wagner. Gender	
	biasness loads to economic	
	marginalization of women.	
	Crendles biasness is by product	
	of patarchial mindsel of	
	society. So, gender biasness is	1
e ()	"another aiding factor.	
	Lastly, the unsafe	
	environment at workstaces	
	arand woman compel her	
1	to quit job. The serval) Is
	and physical violence of	
	offices are growing in numbers	
	which ultimately affect professional	
	life of women! Hence, unsafe	
	environment around women is	
	contributory factor.	
	The afore mentioned challenges	
	can be addressed to level	
	up women in protessional	
garian i	life. The recommodations are	
	as follows.	
	The foremost need is	
	digital inclusion of women.	
	It is the need of how	
	as we are in the digital	
	age. The inclusion of nomen	
	creates professional apportunities	
	for women all around the	***

less developed world. Also,	
it aids in growth of her	
Cajees,	
Secondly, there is a	
need of legislation of pro-nomen	
need of legislation of pro-nomen laws. The United Nation Should	
address this issue constructively	
and mak sure pro-vomen	
legislation around the world,	
particularly in less developed	
world and the third world	
countries. The promomen laws	
give confidence to women and economic servity.	
and economic servity.	
Thirdly, the media	
should play progressive role	
in creating awareness among	
societies. It should appreciates	
professional and economical	
participation of woman into	
different sphere of life. It	
also interpret religious explaination	
in a correct way as no	
religion is the Unorld half	
women's very of professional	
life.	
Loughly, the governments	
should ensure the safety	
of women at work places.	

legislation Dro-women The this Qaws: helpful segard. The assistance of safety more professional lead of - tion women. women all a nutshell. In RAYO the world are tacing. discrimination and biasness. There are multiple of factors behind this menance. The United nation has added achievement women in of rights agenda but still a lot 2030 professionally to do. Women ase on lose Bring taken -taking number of innitiatives ale bridge all around the pirow. 25 the gender gap. There that ... an optimism no the world its tagets of would acheive J It needs equality acheiving this effort UMartin collective King said.
