Title:

Modern educationalists Role in children  
upbringing

Direct:

Modern Educationalists are unable to correct  
wrong acts of children and appreciate right ones.  
More connected with children the more they  
will respond your suggestions. If you try to

inculcate the social demands in children  
without knowing their minds. They will not  
feel gratitude. Teachers with this quality

causing the psychological damage of child.

Unfortunately, teachers are not linked to  
children due to overwork. Teachers must

give two hours to children. The dealings  
with children without strict rules are to some

This friendly environment can't produce  
a govt teacher. The discipline can't replace

by affection and acumen.
