are
the
as
the
physically weak and mentally psycho
in human history. It grows up
in the era which is of the
highest usage of technology in
human history. This generation is
grows up by using technology. It has
approach to internet, mobile phones,
tablets, TV channels and social media.
This generation is ~~do~~ not trained by
elders rather by social media. It has
only one issue in whole world
that is it has lesser patience
and higher anger. The physical
health of this generation is weak
and improper. In human history
this generation is taking more
time to be independent.

Tense and structure need
improvement.
