

Batch: ISB-08-48

Name: Sana Zakir

Sub-Heading: Negative Effects of Social media
(Lack of knowledge)

Topic Sentence: Social media has produced several negative effects on youth, prime among which lack of knowledge

Reasoning Sentence: Due to overuse of the apps and the teenagers is distracted from the ability to focus on their studies and task to pursue their career in the productive way

Supporting Example/Point: Students/Youth are addicted to social media to take a shortcut to pursue in career they are

Date: _____

Day: M T W T F S S

Lack of knowledge, lack of skills, lack of experience and structural mismatch.

Example: Youth are depending more on the information reachable easily on these social networking sites and the web. This reduces their learning and research capabilities according to the International Journal of Computer Sciences and engineering

Support Point: Youth can easily use the latest technology in various forms including smart phones, mp3 players, digital cameras, video games, iPads, electronic readers and personal computers which distract the youth from gain knowledge, reading books, practising on their skills.

Example: 2 By the researchers of California in a survey, that the study shows that students with a tendency to spend most of the time on facebook exhibit behaviour problems which limit the amount of time they allocate to study

Date: _____

Day: M T W T F S

Conclusion: Thus, instead of using the time on productive works, youth prefer wasting their time on social media.
