Sub-Heading: Economic turndown  
due to Covid-19

Topic sentence:

Covid-19 has adversely affected the world economy suspending business activities and forcing people to stay at home.

Reasoning:

With the outbreak of the pandemic, numerous strict measures of social distancing were taken on national and international levels to contain it.

S.P.1

Due to lockdowns and travel restrictions global GDP has suffered an obvious decline.

Example:

According to a report during 2020, the world's collective GDP fell by 3.4 percent. (statista.com, impact of coronavirus on global economy, Jan 2020)

S.P.2: The preventive measures in Pakistan further worsened the already weak economic growth, leaving millions of people jobless.

Example: Country's GDP declined by 26 percent in 14 weeks of lockdown, services were hit the hardest, followed by industry and agriculture respectively. (ipfri.org, Covid-19: Estimating impact on the economy and poverty in Pakistan, 2020)

Conclusion:

The emergence of Covid-19 has negatively affected all major sectors of global economy.
