Assignment # 02

Mehak Naz

SUB-HEADING:- ECONOMIC TURNDOWN DUE TO COVID-19

TOPIC SENTENCE	Covid-19 had an immense impact on economy, countries around the globe experienced economic turndown.
REASONING SENTENCE	The sudden outbreak of pandemic results in restriction to movement along with loss of employment bring economic decline.
SUPPORTING POINT (1)	Due to this the global economy hit hard by wiping out all gains of previous years which marks the worst recession since the great depression.
EXAMPLE (1)	During 2020, the world's collective Gross domestic product (GDP) fell by 3.4 percent, which reached about 84.54 trillion US dollars. (statista.com, Impact of coronavirus pandemic on the global economy - Statistics and facts, 2023).
SUPPORTING POINT (2)	The economic turndown was even severe in emerging economies like Pakistan, where income losses caused by pandemic worsened pre-existing economic fragilities.
EXAMPLE 2	The growth of GDP was 5.8% in 2018

to 3.3 in 2019 and further declined to 2.4% in 2020. (ORF, Covid-19 and Pakistan: The economic fallout, 2020)

CONCLUDING
SENTENCE

Hence, Covid-19 has greater repercussions and evidenced the ever greatest economic turndown.
