Title: Purpose of Education beyond Just Growth.

Currently, three ^{schools} school of thought are present regarding liberty in education. There are those who believe in complete freedom and those who believe ⁱⁿ ^{having} complete check on children. Third school of thought is based on Rousseau philosophy which believes to provide complete freedom to children and ^{expect} them to act in good way. The writer disagrees with this school of thought as it confines purpose of education only to growth not on moral development. To act in a civilized way, children need to have qualities like ^{humility and} ~~humbleness~~ intelligence which they cannot achieve ^{on} ~~own~~ their own. Therefore, ^e Education must ~~be~~ view as ^e ~~ingrain~~ morality and mental development along with growth.

Idea is generally ok. Avoid cutting. Use your own vocabulary as much as possible. Do not use ^{actual} informal words such as "&". Mistakes identified.
