

Economic Turndown Due To Covid-19

The COVID-19 pandemic has caused one of the most severe and drastic economic turndowns in the history of man.

The toll the COVID-19 pandemic has exacted on the global economy has been significant.

The IMF estimated that global median GDP dropped by 3.9% from 2019 to 2020, making it the worst downturn since the Great Depression.

Thus; it is an irrefutable fact that economic turndown due to COVID-19 has been drastic.
