## Democracy

Democracy is a best form of government for any country. It recognises the principle of majority rule and guarantees protection of minorities.

Democracy prevails through good governance, by choosing right person for right job.

Public choice is mandatory to implement the decisions by their consent. There are few key characteristics: democracy. First and most important is free and fair elections in the state. The role of media, education, judiciary, political parties and religious tolerance etc. Delay in timely and fair election, lack of education for the people, it causes lack of awareness in the country. These are some hurdles in the success of democracy. Therefore, state should overcome these problems to be a democratic nation.
