

**Write a Précis of the following and suggest a suitable title**

**Paragraph No 1**

Teenagers should not be allowed to drive. There are too many problems that occur when teenagers get behind the wheel. There are too many traffic accidents involving teens. Also, most teenagers are not responsible enough to handle the financial responsibility of driving.

**Paragraph No 2**

I think it is absolutely important for children to learn to swim at an early age. Learning to swim early assures that they will have success learning to swim in the future. It gives children confidence in their abilities to do things on their own if they can do this one thing on their own. Finally, it will help children be comfortable in the water because they'll have early experience being in the water. So if children learn to swim early, they'll be at a great advantage in the future.

Indent the paragraph.

M T W T F S

Title: Problems of youth driving. 30/10

There should be a restriction on youth driving. Many problems are associated with teenagers' driving including accidents and inability to meet expenses.

Title: Advantages of learning swimming at an early age

There are many advantages of learning to swim in childhood. It gives them how benefit in the future. Furthermore, it boosts up children to do difficult tasks themselves. Similarly, in future, they will feel easy in water.
