REFINE TOPIC SENTENCE  
OVERALL OKAY

Supporting Point (1)

Amid political instability, the stakeholders like shareholders become reluctant to invest in Pakistan Stock Exchange, as they find volatile condition.

Example evidence/ fact

As in the peak of political instability investors confidence was low, therefore, in December 2022, KSE lost 100 points & 3.92% in a week (Tribune, 3-Feb-2023)

Example Supporting Point (2)

Currently, the countries needs massive reforms, and these economic reforms have political cost and every political party does not want to loose political capital amid this political rivalry.

Example (2)

"The idea is sound, but political infeasible right now. What is more important is for Pakistan's current provincial government go beyond firefighting & push forward essential reforms (Arif Rafiq)"

CONCLUSION.

Political instability has crippled economic structure of country, as a result investors either external & internal are avoiding to invest
