Title:-

Pedagogy teaches, how to respect the child

Mentors should respect children. Japanese never hit their child. They're ^{are} very polite, kind and compassionate ~~behaviours~~ with their children.

They are not furious ^{with them} ~~in~~ habitat. They live with ~~allegiance~~ and ~~dedications~~. The Japanese soldiers do not hesitate to sacrifice their lives for their motherland. Concisely, the environment which makes the mentors uncompassionate, based on human nature, confined ~~the~~ abilities of children and young ones that Pakistan doesn't want.
