

Social Disparity effects in Society

Sociologists accept social stratification that create inequalities in society. Inequality exist on large scale based on different class and culture. Individuals are in favour of inequality or some of them against inequalities in society. Elements that define stratification in society in some societies stratification ^{is based on} economic system, income or daily wages. People are classified on their social status. In some societies people admire wisdom on the other side some people face disrespect in society. It's all based on cultural stratification. People inherit social inequalities or social values from parents and share with peer groups. Another factor is occupational structure teaching is a noble profession but they get low pay. However, successful entrepreneurs ^{others face} ~~they~~ ^{have} get respect like ~~they~~ ^{have}.

Q5 Change the narration of the following

Customer: Do you have any good ointment for rash skin?

customer asked to Salesman Does

They have ointment for rash skin

Salesman whose skin is it?

Salesman enquire whose skin is it?

Customer Human skin!

Customer said its huma skin.

Salesman Aaaah, I thought you needed it for your self.

Salesman said he thought customer needed it for his self.

Customer what do you ^{mean?} ~~need~~ Am I not human?
customer ^{is} reacted his not human.

Salesman: maybe. But I wanted to know the age or skin type.

Salesman he

man requested could he
say it again however, it
was not answer of his question.

B. Punctuation:

It had everything superstars Lionel Messi and Kylian Mbappe going head to head dramatic comeback. Goals and a nerve wracking penalty Shootout decided social media sent into meltdown Sports Stars around the world were transfixed and those in Lusail Stadium were treated to a mouth watering showpiece. I couldn't imagine that happening where you see two great teams going toe to toe and no-one takes a back step said Ferdinand on BBC. One ex England striker Alan Shearer added were breathless. It was just an unbelievable final I've never seen anything like it and I don't think I'll ever see

Translation

who has realized himself has
nurtured God. All the inspirational books
and ^{specially} Quran majed emphasize on thinking.
At every point thought and prudence
have been ordered. That they should
consider the analysis of the heaven
and the earth. and the first condition
for self-realization is that man
should speak the Truth to himself
They have the courage to look into
his own heart and have courage
for self-accountability. When god said
he want to be know. So I created the
creature so it is known that creation
is the purpose of recognition of creator.
How is it recognition the ^{what} purpose
of our creation is then asked
to Hazrat Musa How know to god
first understand own self than know
the god.
