

Human beings communicated with divine super power who regulates the universe, whenever they felt any fear. Wishes of Gods always remained guidance for humans. These wishes were interpreted by Greek soothsayers, who interpreted ~~a lot of things~~ different signs along with interpretation of dreams. ~~Among famous soothsayers one name is Helenus~~ a famous ancient Greece soothsayer. ~~Following the previous records~~ Sometimes Gods did not send any sign directly by through their messengers, who entered a state of ecstasy and delivered the message of Gods. Following that lines, ~~there~~ these were few temples reserved for oracles for their specific Gods. Apollo, the famous Greek God who used to deliver the message of Zeus via its oracles at Delphi.

Title: Oracles; The Ancient Greek Gods.
