Climate

Title: Impact of weather on human life

The Author explains the cold weather of the northern Europe, ~~and~~ **which positively impacts** weather ~~creates positive impact on~~ the

people. Adding to this, Cold weather ~~is~~ **freezes** ~~freezes~~ the energy and it does not left any space for the activation. Moreover, author

Compares the intense ~~of~~ cold weather, moderate weather and hot temperature. ~~In~~

~~that regard~~, when weather is too cold, ~~human~~ **man** wears cosy clothes to ~~maintain warm himself~~ **keep himself warm**.

Furthermore, he also builds the strong houses and to store the energy from the earth. For saving body organs, he uses different nutrients.

Author shows that life can be ~~spent~~ **spent** on tropic with some important materials. Not only

this, but human can also live in all weather. **Do not repeat 'author' again and again. Just write it once. Grammatical, spelling and structural mistakes. Idea partially understood.** ~~in~~ **in** not weather, while, he struggles ~~into~~ **in** cold one.

Title: Dealing of Teachers to the Children

According to the author, he suggests that it is an important ~~that~~ for the teacher to donot intervene children, ~~matter~~ but to enjoy their company. Adding to this, author also explains if teacher has positive linking with children, they will accept the suggestions as well as prohibitions. Children will never grateful, if someone creates expectation from them. Teachers need to join their party without any expectations and enjoy their party. Teacher who has this art to interfev in children life without any demage, they will achieve positive result. Owing to the lot of work burden, on teacher, they donot spend more than two hours. It is observed that when teachers creates strict discipline, result are more better. However, one cannot expect to create self discipline from children.
