SUBJECTIVE PART
QUESTION NO. 5:
A Marit ED:
INTO PODUCTORY
1).11.70
Pakistan has been significations to be instability its inception. Political instability woe (April) led to economic woe (April) led to economic woe
Q5 of what? (April) led rollinge (August-September)
How can know from where you solved this arising due to surgency which will
question? which will
further impact county, economy
2- Pre-plood Economic Situation of Pakkton:
in the hilly one
confidence motion in April along-
And without question both can bases answer?
And without question how can l'asses answer? set back to all
coup hiel
and a economic indicators were
already hinting economic clowdown
Forexample,
(March Foreign Reserver = \$1460
(2021FY) Loon - 43 5127bn
(142001) Trade depict = 89326n
(State Bank of Pakistan)
- Destruction caused by bloods:
- Torrential monsoons in June
that continued per a month that
washed away averything.
-> estimated loss was around
