say it again however, it  
was not answer of his question.

### B. Punctuation:

It had everything. Superstars Lionel Messi and Kylian Mbappe, going head-to-head, dramatic comeback, goals and a nerve wracking penalty shootout decider. Social media sent into meltdown. Sports stars around the world were transfixed and those in Lusail Stadium were treated to a mouth-watering showpiece. "I couldn't imagine that happening, where you see two great teams going toe-to-toe and no-one takes a back step", said Ferdinand on BBC. One ex-England striker Alan Shearer added, "we were breathless! It was just an unbelievable final I've never seen anything like it and I don't think I'll ever see it again".

## Translation

who has ~~realized~~ <sup>recognized</sup> himself has <sup>recognized</sup> nurtured God. All the inspirational books and <sup>specially</sup> Quran majestic emphasize on thinking. At every point thought and prudence have been ordered. That they should consider the analysis of the heaven and the earth. ~~and~~ The first condition for self-realization is that man should speak the Truth to himself. They have the courage to look into his own heart and have courage for self-accountability. When God said he want to be know. So I created the creature so it is known that creation is the purpose of recognition of creator. How is it recognition the <sup>what</sup> purpose of our creation is then asked to Hazrat Musa How know to God first understand own self than know the God.
