Investment by Foriegn Countries and Individual & GOOD There exceptractising of investment by foriegn countries (FDI) or any inclinidual cayritalist to invest, in Palistan. It is too much necessary for the devastated Reconomy of passistan to boost up. So government should talle measures to adopt FDI by different programms. Pallistan is developing country and the cone issue of the developing ewnomies is to counter imports. Recause in pallistan imports are higher and exports are soit exceeds to trade deficit. Covernment should take measuress to adopt the policies in favour of foriego dimect investment to boost up the ewnomy of pallistan.
