

Batch: _____

Name: _____

ACADEMIC PARAGRAPH STRUCTURE

(Sub-heading: _____)

Topic Sentence	With the growing use of social media among youth, it has left negative effects on youth life.
Explanatory or Reasoning sentence	Youth have taken social media use to an extreme level, and because of that, it has left self-doubts in youth.
Supporting Point (1)	Adolescence is the most important period of youth's life; it is the time when youth find their true self. However, because of the doubts that social media has left in their life, they compare their lifestyle and their appearance with others.
Example (1)	As a result, most young men and women are living with anxiety, and suicide attempts are increasing in youth.
SP 2 (optional)	
Ex 2 (to be written if SP2 is given)	
<u>Concluding Sentence</u>	In short, extreme use of social media leaves negative effects on youth's well-being.

(No. of words _____)
