# WOMEN Will Be WOMEN

The Status of Women in the whole world is poor. Women is considered inferior to man in every walk of the Society. Women are of the basic part of life, they are essential not only to Society, but to the human Species. Therefore, women should be equal importance and given the same right regardless of gender.

All the Societies of the world are a male-dominant Society. Women are considered inferior to man in every phase of Society. Where birth of a boy is enjoyed as he is considered as the asset for the family, and where when a girl is born, her birth is a sorrow. They think that girls are unable to feed their family. So they are a burden on them.

The world today OPRAH is an example of a powerful woman, because she is a leader of many people.

MUSARRAT HILALI is a Pakistani Judge and currently serving as the acting Chief Justice of Peshawar High Court. Since "March 2023" NIDA-USMAN CHAUDHARY, named an eminent and acting "Global Top 50" Professional & Career Women. (2023)

Women have an important role  
They keep peace and provide a lot of  
communities all over the world. Women  
capable as men. Women are just as  
capable men when it comes to intellectual  
thinking profession and idea. Women are  
a source of family peace for  
family. Women are source of peace  
for men and children including. Women  
are like flower. They are not servant  
[INAHJUL Balaghah letter 31] - A Strange  
woman knows who she considers  
who she used what she wants for  
herself. She always follow her herself  
She always follow her culture  
Self and her instinct. A wiser woman  
stand up for herself. ~~passion~~ This essay  
This is not easy and require not only  
passion and confidence, but also tact  
and timing. A strange woman is happy  
"She bring her brings fun into her life and  
who never. She counts her blessing."  
Thasunda-Brown-Duckett President and CEO  
US the most powerful women in Finance.  
Nigar Johar, is the first woman three-star general in Pakistan's  
→ An uneducated woman destroys the  
whole peace of the house. An uneducated  
woman parent begets an uneducated  
woman. Uneducated parent  
think that only marriage is enough  
they could not understand that  
because of one uneducated woman

the whole Society goes towards destruction. Neither can see her children Neither train her children properly nor solve her own problems, and And then it starts the mischief in the Society. According to a poll of experts by Thomson Reuters Foundation Poll, that 90% of Pakistani women suffers society from domestic violence.

In our Society are main issue men get the status of everything. They get to have free hits to do everything no one ask can be ask them, but if a woman does all this, who she be guilt in the eyes of Society. The main things is are that the <sup>men</sup> only looks physically stronger than women. The Holy book "Quran Pak" Surah An-Nisa 4:32-25 "There is no distinction between a man and a woman. The patriarchy. The biggest challenge facing women in the United States today is patriarchy. This is especially evident in the realm of politics. Regardless of a women's have experience education or abilities, Keisha N-Blain (Black Nationality 2018). The another issue women in America is a campaign to normalize misogyny and take women have right. Not enough women at the table. Kamala Harris US Senator 2020 Another problem women in the US and women throughout the world face today are increasing numbers of maternal

mortality. According to the **WORLD HEALTH ORGANIZATION**, 830 women die every day (Beacon 2020)

Hence, women are basic part of life, they are essential not only, Society but to the part of human species.

On the global front, perhaps the most important issue for the international community are empowering the voices of women and young girls everywhere face immense range of issue from the inabilite. to access food, education etc treat of gender-based violence.

If we want to forge the best solution for expanding peace and security moving forward, the we need to give smart, dynamic and strong women a seat at the decision-making table both here at home and around the world.
