## Islam

Islam is a complete code of life, no one another religion's status like Islam. Islam is a peaceful religion in the world.

If any religion in the world provides human fundamental rights that who is Islam. Prophet Muhammad (P.B.U.H) has sacrificed to spread religion Islam to the all around the world. Islam is a boon for human being because all are equal in the Islam. If anyone is suppressing to another oppress man then Islam will strictly punish their.

Islam is a truthful religion all around the world because Allah Almighty says in the holy Quran "O Muhammad I have sent you Quran for all human beings." (106)
