

Q

Foreign policy of US is full of contradiction. Discuss the key aspects and associated implications of Biden's foreign Policy.

Answer 1-

Introduction

"The scenario changed, but story remained the same."

(Toqeer Hussain)

Foreign Policy of the US is full of contradiction. In fact, Biden's FP is leading to the path of certain key factors and has several implications as well.

Therefore, foreign policy of the US is full of contradictions.

2- Joe Biden's foreign policy: an Overview

"The US is still the world leader."

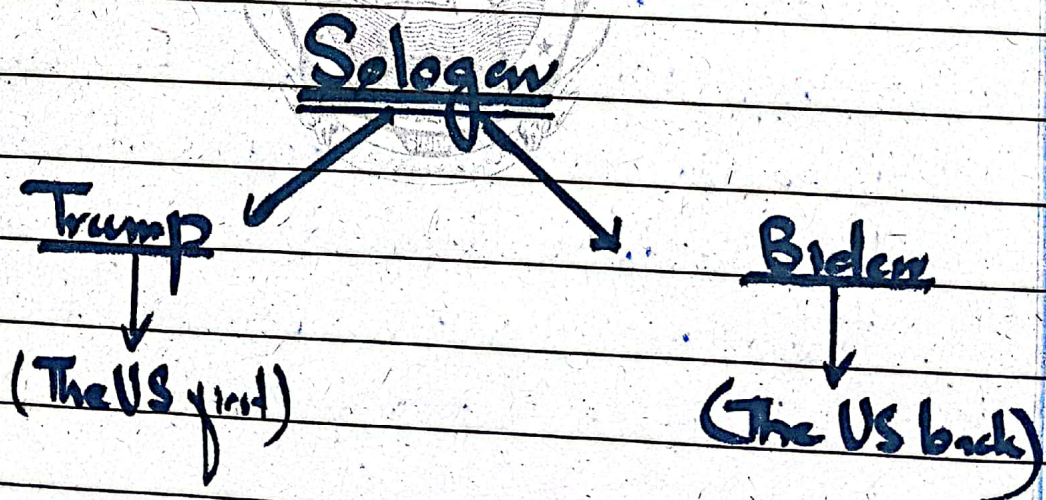

(Barack Obama)

Biden shifted the way of foreign policy. In fact, Biden's policy is leading to the path of Trump policy.

"Trump led to tense relations with Iran and Venezuela, while Biden has re-built relations in the Paris Agreement and climate policies."

(- Al Jazeera 2022)

Therefore, Biden's foreign policy is full of contradictions.

3- Key Aspects of Biden's foreign

Policy and its implications
 Following are key aspects and implications:

a) Confused policy of climate change

Biden encouraged climate policies globally. He vowed to reduce carbon impacts by 2030.

"Two decades are past, yet climate policy of Biden in World, COP-26 did not meet the target, among which \$12 billion were of the US."

(-Clean Air Policy, Fiscal Bond, 2022)

Therefore, confused climate policy impacted the clean energy.

b) Curtailment of China

Moreover, Biden attempts to curtail growing influence of China. According to Biden, China is a threat to the US.

"China will soon be the world's first largest economy by 2030."

(- Fitch, S.P, Moody)

Therefore, curtailment of China increased US - Sino rivalry.

c) Curtailment of Russia

Further, curtailment of Russia is also increasing.

In fact, hostile thinking leads to rivalry between them.

"The US is supporting the Ukraine against Russia in Russia-Ukraine war."

(- Toqeer Hussain)

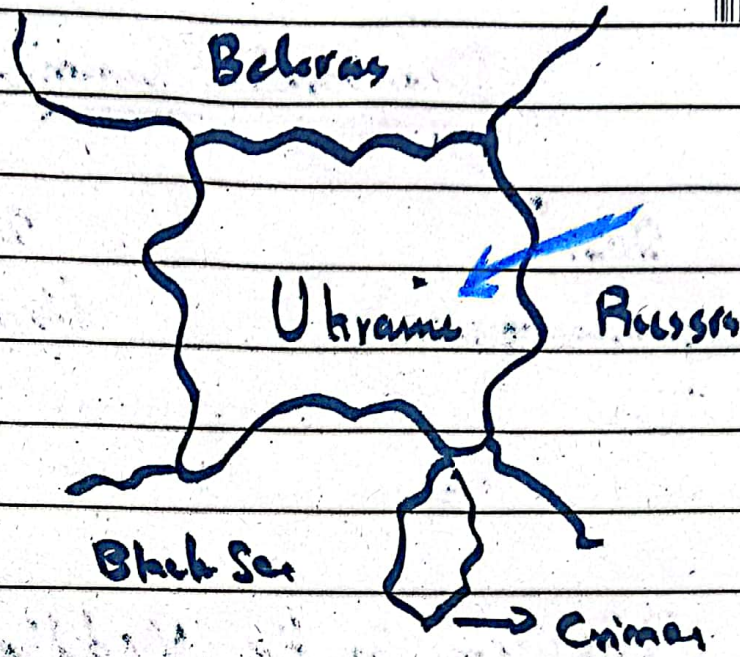

Figure 1

Hence, curtailment of Russia is also leading to global consequences.

d) Authoritarian versus Democracy: Biden's ideology

Furthermore, Biden is proponent of democracy. In fact, he supports democracy globally.

"Two democratic summits of 2021 and of 2023 were decided under

Biden's "foreign policy" (Democratic era)

(Al-Jazeera, 2023)

Democratic Summits

2021

(public opinion)

Thus, Biden encourages democracy of the world.

2023

(transparency)

e) Confusion in the Middle East JC PCH

Biden policy is confusion leading in the M.E. He tried to negate naxal attempt with Iran, but failed.

"Iran increased enrichment of Uranium against the West ideology."

(M. Ammir, 2022)

Therefore, Biden's attempt led to Iranian nuclear proliferation.

f) Issue of Taiwan policy The US supported

Taiwan against China. In fact,
the US leads to its hegemony
in China zone.

! The US - Taiwan trade

is recorded of \$ 3 billion.

(Global Trade, 2022)

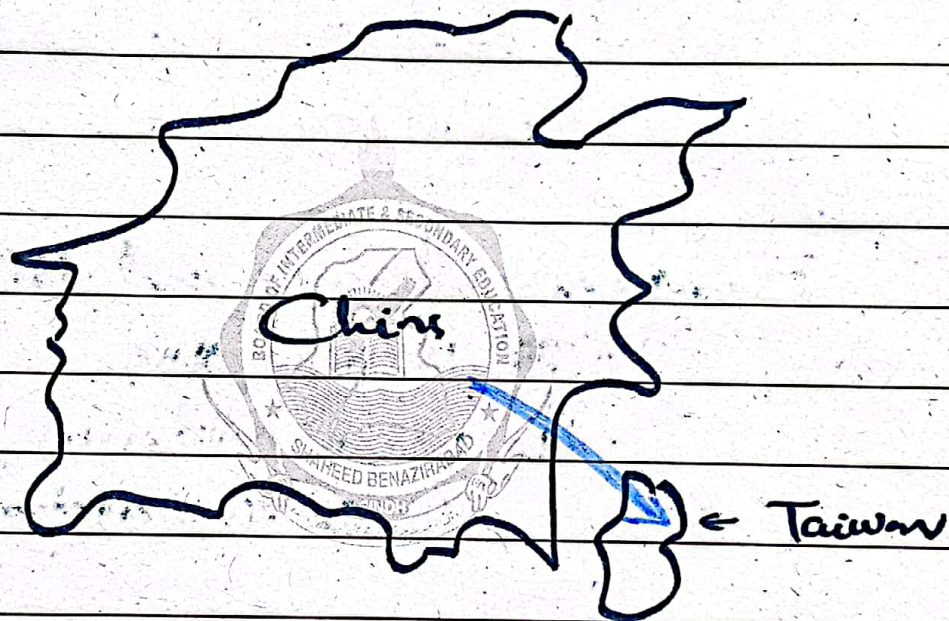

Figure # 02-

Therefore, US policy led to conflict
in regional zone of China-Taiwan.

h) Conflict in the Middle East

Moreover, the US is
playing conflict in the ME. In fact,

the US-ally Israel leads to
Muslim-country rivalry in the
ME.

'Israel is playing
between the KSA
and Iran rivalry.'

(- A.J. Jazou, 2012)

Therefore, the US ally leading
policy impacts the ME.

c) European alliances and NATO

"The US must end
its peace holidays."

(- The US Secretary Gen)

Further, the US has
supported its European alliances
and NATO. In fact, Russian-Ukrainian
war made them to be
strong.

"Defense budget is
increased by countries
to support members
of NATO."

(-CNN - NATO / 2022)

Therefore, the revival of NATO poses threats to the global peace.

4-

Critical Analysis

• The end of the history is beginning of the history.

(Toqueville)

The US foreign policy is reshaped. In fact, the scenario is the same as of Trump administration. This leads to threats to the global world. Therefore, the US foreign policy is full of contradiction.

5-

Conclusion

• The US is still the world's leader as long as it

"is leading to academics."
(-Barack Obama)

The US foreign policy is full of contradictions. In fact, Biden policy is taken new shape but its features are brothers with Trump policies with certain complications. Therefore, the US foreign policy is full of contradictions.
