

## Comprehension 2021

Answer Question No: 1//

The doctrine of power set by neo-imperial America deny space to counselling because it did not want to waste its time by engaging in debate with allied government. United Nation had already decide to invade Iraq.

Answer Question No: 02//

Moral equivalence is very important because there should be a balance between its objectives and actions. For security & objectives, no country can kill uncountable civilians. There should be moral equivalence so that a country can know that how it is achieving its objectives.

Answer Question No: 03//

Countries occupied because there were Taliban and they are biggest threat to national and world peace. Under the tutelage of hyperpower, there is no peace because of return of war. Many innocent civilians become the

victims of this war.

Answer Question No: 04

Yes! Europe and hyperpower US are at cross purposes over the concept of war. Because US and European countries both have no moral equivalence. Because US can go to any extent to achieve its security objectives

Answer Question No: 05

Tony Blair's wise counsel means that there should be consensus on the matter of war. How the security objective will achieve and how the civilians will be protected, are the matter of concerns.

It must make sure that there will be no violation of human rights. It did not prevail because US was ready to wage war alone.
