

Topic: Reluctance to 'Old Age home in Pakistani Society'

Topic Sentence: Old Age homes are considered in negative connotations and condemned in Pakistani society.

Explanatory Reasoning sentence: People are reluctant to send their aged family members to the old age homes due to societal pressure and traditions.

Supporting sentence: Moreover, in Pakistani society, because of the tradition of joint family system, there is no concept of old age home.

Example: In Pakistan, only 7 percent people choose to live in old age homes. (PJPH, Aug 2018)

Conclusion: Hence, the notion of old age homes in Pakistani society is still not prevalent.
