

Q: Pakistan is considered the
5th largest youth bulge
country in the world. Given this
youth bulge deliberate on ways
forward for sustainable economic
development in Pak.

Introduction

UN report on population reveals
that Pakistan is 5th largest
youth bulge country. Youth exceeds
mean that less people are
capable of taking part in econo-
mic development. Elders and
youth are usually a liability
on country's economy. So it is
a good sign to have more youth.
In Pakistan the youth bulge
is unskilled, no or low educa-
tion and more involved in
criminal activities. If planned
properly then this youth bulge
may result in high development
of economy.

Date _____

our universities are producing many graduates each year. They have reduced the size of syllabus so as to gain more profit. As a result the supply of labour surplus the demand and many young ~~the~~ students are unemployed after completing their degrees. Government should focus on advance education system so that skilled force will be created.

2- Awareness campaigns

Many families even today think that education is not important. Govt should launch campaigns to create awareness for educating children.

3- Business friendly policies

Govt should make policies to enhance small and medium sized businesses. Our youth is sharp and capable, they just

Date

need an opportunity to prove.
China has enhanced economy
with this approach.

4- ~~Provide~~ Easy loans

US govt provide easy loans
to people who want to do business.
Many youngsters after complete
education struggled ~~due~~ with
poverty. Govt should provide
loan on easy commitments
so that they can start
something. This also increases
employment ~~for~~ for those
who are not properly educated.

5- Establish factories in rural areas.

Most of the youth in rural
areas is working under level
- jobs and involved in other
activities like violence and
other crimes. Due to no other
option they have to work for

landlords. If you initiate production in rural areas, youth can be utilized in developing economy or stabilizing economy.

6- Scholarships for students

There should be full scholarship for students. Many students struggle for accommodation, ^{and} other expenses during study and even after they complete degree their parents expect them to earn or they are unable to relocate to those cities where they can get jobs. As a result they have to go back to their rural home town. Scholarships should also include few months expense if student is doing internship. This is happening in developed countries.

7- Maintain Law and Order

Nowadays street crimes or other criminal activities have become easier. People when unable to find a good job they easily start doing street crimes like snatching. Most of youth is working for political parties and involved in violence activities. By taking proper action on crimes we can stop our youth from deviating easily.

8- Emphasis on merit

In order to give right opportunity to right person it's highly important to focus on merit. Otherwise a person ~~can~~^{may} use the potential negatively.

9- Early retirement age

Govt has increased the retirement age to 65. It should be

reduced and few other benefits
might be provided. This will
open the opportunity for youngsters
who can run the responsibility
in an advance way.
