

(Paragraph)

Sub-heading: Nuclear challenge to world peace during 21st century

Topic Sentence: Nuclear challenge to the world peace during 21st century is higher than ever before.

Explanatory Sentence: The conflicts between nuclear armed countries are at rise since years for global dominance. Nuclear Proliferation by these rival countries is risking the world peace and order.

Supporting point: States use nuclear deterrence to intimidate the enemy and they threaten each other to use the nuclear weapons against each other.

Example: For example, the Russia-Ukraine war is the first conventional war after WWII in Europe. Ukraine is supported by NATO with artillery and other equipments. On threats of large scale destruction in Russia, Mr. Putin threatened the world to use tactical nuclear weapons against NATO states and they have already deployed nuclear weapons in Belarus. If a full scale nuclear war starts, it will have far reaching consequences.

Conclusion: Hence, nuclear challenges are imposing higher threats on global peace in this ~~tempo~~ contemporary world.
