## ACADEMIC PARAGRAPH STRUCTURE

(Sub-heading: Negative effects of Social media on youth.)

Topic Sentence	Social media have so many negative effect over youth and damage their life.
Explanatory or Reasoning sentence	Student/youth are mostly wasting their time on phones and internet, which may effect their mental health and their body.
Supporting Point (1)	Likewise there are many universities to doing their survey on the negative effect of social media over youth and conclude that it mostly effects the youth continuously.
Example (1)	on Friday 6 Jan 2023 the Seattle Public school filed a lawsuit against major social media's app i.e. Tiktok, Facebook etc and claimed that the mental health of their student have worsened and these feeling increased by 30% from 2009-2019.
SP 2 / Supporting (optional) Point	Similarly social media also disturbed the family gathering, because every child, adult and old person are busy on their phone and didn't give time to one another.
Ex 2 (to be written if SP2 is given)	In old day youth or children were sitting with their grandparents and hearing the factual stories in free time but now they are busy in social media.
Concluding Sentence	So social media have many good advantages but in a true sense, it has many disadvantage which effect the youth.
