Title: View of filmmaker on Palestine's Independence

Nizar Hassan, a Palestinian filmmaker, produced his first film "Independence", in which he draw attention of world towards unjust occupation of Palestine. Israel wanted to occupy more land, that time author received an email with link of Nizar's new film "My Grandfather Path". According to documentary one should choose their enemies carefully. If Palestinians keep reacting at Israel's claptrap, they will forget their aims and become like Israelis. He emphasize the importance of Palestinian art that save him from Israeli trap. The documentary reveal patriotism and Rights of Palestine.
