

Essay-paragraph Writing

Topic Sentence :

~~"Young generation prefer to go abroad due to nepotism in institutions"~~

"Young generation prefer to go abroad due to the political and economical chaos."

Pakistan is facing a huge brain drain crisis from the last few years. Youth prefers to go abroad because of the rising political and economical uncertainties in the country. In 2022, the phenomenon/situation of youth migration is exaggerated. Hundreds of thousands of youth population, specially the fresh graduates prefer to go abroad. The reason behind this massive migration is the unstable political institution which affects the economic flow. According to the report statistics of Bureau of Emigration and Overseas Employment, almost 765,000 young Pakistanis went abroad this year. Hence, ~~the country faced extreme crisis of youth migration~~. Hence, in the wake of 2023, country faced an extreme situation of youth migration.
