

Title : Laziness : A Blessing in Disguise for Humanity.

Precis: It is considered as tantamount to the characteristics of the devil if humans will take actions without taking into account the appropriateness of time and place of those actions. Moreover, the Planet witnesses perplexedness but the causing factors are unkind and non-prudent nature of its inhabitants rather than dormancy. Furthermore, the World War one could have been prevented if the authorized people did nothing and enjoyed the bounties of Nature. Further, the World War Two, could have been avoided if the dignitaries took a break from work instead of attending the Peace conference at Versailles. Similarly, in the present Europe, a lot of procurement may be achieved in case the

politicians do not criminalize
laziness. and become little inactive.
Moreover, the ecclesiastic class
may achieve composure by taking
rest and avoiding the criticism on
women and musicians.
