### ACADEMIC PARAGRAPH STRUCTURE

(Sub-heading: Crucial Role of National Interest in Neglect of Climate Crisis.)

Topic Sentence	Despite the increasingly devastating impacts, climate crisis remains the most neglected cause, and one major factor of neglect is National Interest.
Explanatory or Reasoning sentence	It is the interest of states which gives short term economic and political gains precedence over long term Environmental concerns of the whole world.
Supporting Point (1)	Governments driven by desires, to boost their economies, prioritize industries which heavily rely on carbon emitting resources.
Example (1)	A clear example of this is U.S's withdrawal from Paris Agreement, stating that it would harm country's economy.
SP 2 (optional)	
Ex 2 (to be written if SP2 is given)	
Concluding Sentence	The climate crisis continues to be severely overlooked due to prioritization of National gains over Global environmental concerns.
