Thoughts

~~Thought's~~ of Manto

Indent the paragraph.

Manto was a victim of social ambivalence. His detractors branded into long drawn legal battle questioning that was the moral validity of his writings. According to Manto, ~~In the line of Freud he sought~~ for the socially dissables and depressed classes of society like ~~Petty wage - earners, Pimps and prostitutes.~~ According to Manto, man is a mixture of two things, Angel and devils. Like man middle and lower middle class characters think, feel and move like human being. If you see ^Mmanto as a realist, he was fully conscious of ~~appearance~~ ^{appearance} and reality. He was raised above his ²⁶⁹own self by his sombre ^{intellectualism}

Do not include examples in précis. Just give their gist. Try to use your own vocabulary as much as possible.

Capitalization mistake.
