Past paper

Qno 1 - Precise

Topic: Impact of Affection on children

According to ^{the} author, educational theorists said that not interacting with children is a negative virtue, and positive to enjoy their company. If you interact with your children like friend they will understand you and will agree with you on your suggestions. You have to just come them closer to you. They will have progressive ^{children} mindset. ^{Teachers} Teachers can also interact with ^{children} children but without causing psychological damage. Teachers are mostly over-worked, tired and become rude on children but it affects them badly. Nothing can replace affection for children. If children ^{feel} feels that you like them, they will follow you. Count of words: 97
