Outline

## 1 Introduction

Thesis Statement:- "The trend of harassing females, especially at workplaces, is a mere manifestation of some deeper lying social problems. These fault lines must be addressed on an urgent basis, otherwise the society might continue to face social challenges. Long lasting and deep-rooted solutions like breaking the cultural stereotypes must be pursued to eliminate these ailments from our society."

generic  
thesis statement should clarify your interpretation of keywords in essay topic and your stance on it; clarify fault lines
