# The challenge of engaging youth in national development.

## Outline

### 1. Introduction

Thesis Statement  
thesis st does not define challenges, the main topic

Although the challenges of youth engagement are numerous, we still have the youth bulge in our favor. However this window of opportunity will also close around 2015. But in the mean time proper utilisation of youth will strengthen and develop the country in all aspects.

avoid personal pronouns  
Dispersing
