Precis - 2023

title is irrelevant and does not match the theme of passage

~~Title: Comprehensive Education for Children.~~

~~Limit: 120 words~~

start with a an the

~~Regarding freedom in education a school says that children should be completely free despite being bad ones. Other people opine that children should be under authority even if they are good ones. But there are people who are in favor of freedom of children with goodness.~~

incorrect start and sentence makes no sense

~~The author does not agree with a view that education just offers development and not knowledge.~~

~~According to the writer, education must be socially positive than a mere development. Furthermore,~~

~~E Education must also offer intellectual and ethical material which is not possible in an unchecked environment. ✓ (~ 95)~~

only last line is a acceptable
