the old mantold us that there is a mountain outside the tungle where that flower grows. The Smell of which flower brings back the eyesight of those who had lost it. But the peak of mountain is too high and there are a lot of agetations. Bushes full of spines and bigglog stones that stops the people came and go but there is no such person who came and reached to the flower. Maybe this is the reason that There are pain and Suffering in the world and human is searching for the light hope ray of hope 333002 - 1 July 2090 10 cm 1 July 12 Je Stili in 1). سامور و نام المربي الم المرحة تفارطان عين كمنظوار هاريان وربر عراب بيقري وراسة روف لين ناس بيهار إرجاء كدي كن لوك آية اور عليه سي ما السيا الما المعالمة الما المحالية الماس المردنيا مين وكو تعليف عادر النمال روشني كا تلاش مير) ك translate word to word dont leave urdu words untranslated. 3/10
