Keep writing to improve expression!

Mashal

write to the point

Topic Sentence	Social media have so many negative effects over youth; and damages their life. it destroys
Explanatory or Reasoning sentence	Student Youth are mostly wasting their time on phones and internet , which may affect their mental health and their body.
Supporting Point (1)	Likewise there are many universities to doing their survey on the negative effect of social media over youth and conclude that it mostly effects the youth continuously.
Example (1)	on Friday Jan 2023, the Seattle Public school filed a lawsuit against major social media's app like tiktok, Facebook etc and claimed that the mental health of their student had worsened and these feeling increased by 30% from 2009-2019.
SP 2 / Supporting (optional) Point	Similarly social media also disturbed the family gatherings, because every child, adult and old persons are busy on their phone and don't give time to one another
Ex 2 (to be written if SP2 is given)	In old days, youth or children used to sit with their grandparents and listened to factful stories in free time but now they are busy on social media.
Concluding Sentence	So social media has many good advantages but in a true sense, it has many disadvantage which affects the youth.
