	Question #4	
Ur.	Explain the problem and performance	
	of major sector of economy	-
	and discuss the contemporary	
	ecnomic challenges in Pakistan in	
	light of these problems and	
	Der formance.	
	Answer.	
	Pakistan has playa paralized	nt stateme
	echany. According to onew Survay	
	de budget deficied 2.95% to 122%.	
	of GDP. Due to which ten to	
	GDP ratio is one of the	
	I knext in the world. On the	
in to make	other Rand elite class and	
	industrialist mostly mot giving	
	proper ten. Due to this problemes	-
	with performance occured. Similarly	
	these performance has lots of	
	chollenges in the economy improve sente	nce structu
