Further, the World War Two, could have been avoided if the dignitaries took a break from work instead of attending the Peace conference at ^v Versailles. Similarly, in the present Europe, ^{a lot} a lot of procurement may be achieved in case the

politicians do not criminalize
laziness. and become little inactive.
Moreover, the ecclesiastic class
may achieve composure by taking
rest and avoiding the criticism on
women and musicians.

Do not include examples in precis. Just give their gist.
Idea is generally ok. Precis looks a bit long. It should
be one third of the passage. Capitalization mistakes
found.
