Stick to the topic

Subheading: Nuclear challenge to world peace during the 21st century.

numbers in the beginning of sentences are always

Topic Sentence

21st Century is the era of nuclear race which is a challenge to future generations and survival of the humanity.

Reasoning/Supporting Sentence

There is an ongoing rivalry of arm race among the states, 14100 nuclear weapons and still counting. It poses a great threat to (global peace resulting in severely disrupted earth's ecosystem.) analogy?

Supporting Sentence

No state or organization could deal with the possible catastrophic consequences of nuclear weapons.

Example/Evidence

"At the start of 2023, nine states together possessed approximately 12512 nuclear weapons, of which 9576 were considered to be potentially operationally available." (SIPRI Yearbook 2023: Armaments, Disarmament and International Security)

Concluding Sentence

Thus nuclear warfare being most terrifying race of weapons poses a threat to survival of humanity and world peace.
