Laziness: a blessing in disguise

Title: Laziness: Do less harm to world

According to ^{the} author, every evil in the world exists only because of human activeness and doing. Every person in the world is busy in doing something and laziness is not encouraged. Due to human activeness, world is confronting challenging situations. This is because humans are ^{lack} lacking goods deeds, kindness and are utilizing their energies in wrong directions. Further, ^{people} peoples are rushing in conferences and meetings but it is not bringing peace in ^{the} world. However, if laziness is not considered ~~as~~ crime, the situation in world would be different. ^{as} As sometimes laziness ^{helps} help people to recover their psychological wellbeing. For that, people have to practice laziness in life.

Precie: 443 words

Given: 108 words

Idea is ok. Grammar generally ok. Choice of words needs a little improvement.
