6. Conclusion

generic  
↓

# True Democracy and Populism

Enigma

tailor the outline according to this word

## 1. Introduction

Thesis Statement:

- work on spelling
- brainstorming paper and idea is good-work on presentation

## 2. The Concept of Democracy and Populism in modern world.

### 3. How Democracy falls prey to populism?

a. Injustice and interfering in the internal affairs of the country.

i. Treaty of Versailles → Adolf Hitler's Populism was one of the consequences of the treaty's shortcomings ← how?

b. Reviving conservatism and glorious past of the nation.

i. Trump's Slogan → Make America Great Again Again.

ii. Conservatism of Jair Bolsonaro: "War on gender ideology"

c. Re-establishing the bygone leading role of the community.

i. Ottoman Caliphate and Pan-Islamism by Tayyip Erdogan.

d- Fixing economic grievances of the nation

i- Boris Johnson's Slogan "Get Brexit Done"

e- Racial Supremacy Over the territory

i- Superiority of Aryan race antisemitic idea in Germany by Adolf Hitler.

ii- Hindutva by RSS (BJP. Modi)

4- <sup>how is it different from point 3?</sup> Impacts of a populist Regime: <sub>main</sub>

### Populism

a- Decisions based on Populism are Short-term.

i- Populism policies are emotions based.

ii- No focus on environmental or educational aspects via populism

b- Degrading nation's intellect

i- It stops people's minds to go forward and sane voices are suppressed.

c. Promoting fascism, discrimination, and violence ~~on religious~~ ~~based~~.

i. Holocaust (1941-45).

ii. Trump's Supporters Capturing Capitol Hill.

iii. Anti-Muslim mindset and law: ban on hijab (March 2022)

d. Intensify Polarization among masses

i. In Populism a natural division exists e.g. Liberals vs Conservative, PTI vs PDM.

e. Giving upper hand to personalities and Parties over the System

i. System become a stake for the sake of personalities.

5. Mitigation ~~and Aversion~~ ~~the shift~~ ~~towards~~ to Populism.

a. Favoring Systems and rule of law over entities.

i. ~~No~~ <sup>Forbid</sup> Discriminatory legislation.

ii. constitution → highest esteem

clearly show in each point  
how populism undermines/enhances  
democracy

b. Educating the masses

Thinking Strategically,  
long term

c. Shunning identity politics

i. Focus on greater good  
rather than specific race.  
"I am not the president  
of blue America, neither  
red America, rather of  
US of America"  
(~ Obama)

d. Regulating media and social  
media

i. Curbing fake news and  
hate speeches - monitoring  
the trends in society.

6. Conclusion:

write self explanatory points and  
sub-points - do not mention examples,  
quotes in outline
