Practice Exercise

In every country, people imagine that they are the best and the cleverest and others are not so good as they are. The Englishman thinks that he and country are the best; the Frenchman is very proud of France. The Germans Italians think no less of their countries and many Pakistanis imagine Pakistan is in many ways the greatest country in the world. This is with Everybody wants to think well of himself and his country. But really there say person who has not got some good and some bad qualities. In the same way there is no country which is not partly good and partly bad. We must take to good wherever we find it and try to remove the bad wherever it may be. We are it course, most concerned with our own country. Unfortunately, it is in a bad was today. Many of our people are poor and unhappy. They have no joy in their in We have to find out how we can make them happier. We have to see what is go in our ways and customs and try to keep it, and whatever is bad we have

itle: Mindel of people in the world In every country in the world,

People believe they are the best and

Superior than others. The author emphasizes need to avoid this minsel and advocates openess to learn from others. Every country, like every individual, has both strength and weaknesses, and imperfections are present everywhere. The key is to acknowledge weakness. while colebrating the Strengths. While caring for one's country and people is more important, flowerer, genius happiness can be achieved through the adoption of positive practice from diverse Total Words = 224 Summarized words = 75 Idea is generally ok. Spelling and grammar
