

# PAKISTAN INDIA RELATIONS

Relations <sup>are important</sup> ~~is an~~

~~important~~ between two countries. <sup>W</sup> Without relations, countries cannot move towards progressing. yet we see relation between <sup>P</sup> Pakistan and <sup>India</sup> India's are ~~very~~ <sup>dangerous</sup> at danger stage. Both countries are fighting ~~with~~ each other on the <sup>L</sup> line <sup>O</sup> of <sup>C</sup> Control (LOC) and attacking on the ~~ea~~ line of Control on daily basis. ~~If we see~~ India always <sup>starts</sup> violation on the line of <sup>control</sup> Control. <sup>after</sup> One or two day any person <sup>die</sup> ~~has dead~~ due to Indian violation. However, both countries have past 75 years to become an <sup>independent</sup> independant ~~on the world~~ but unfortunately both countries have not stable - their relationship yet.

Kashmir is one of the major <sup>issues</sup> issue of relations between both countries. Kashmiri people are very poor people - they <sup>protest</sup> protest for - their right. Kashmiri people are not <sup>committing</sup> committing violation. ~~just~~ <sup>T</sup> they are fighting for their <sup>freedom</sup> freedom because they want to live - ~~their~~ <sup>peacefully in</sup> peacefully in their region.
