Hello the reader,
Facing alot of confusion regarding revision
and answer writing practice of past
papers' questions. It would be a great act
from your part if any assistance regarding
it be given...

(in specific to CSS Special)

answer:

prepare a timetable for revisions. monthly timetable, weekly timetable and daily timetable.

follow this timetable strictly.

include writing practice in this timetable. what you read or revise on any day, attempt sa qs on it.

and keep doing this.
