Terrorism

terrorism is a verb not a noun
it cant be an enemy

Terrorism is an enemy of the social and human life. Terrorist do not have religion. However, so many events are famous in all around the world. Terrorist have killed so many innocent citizens such as - the European Union and the United States of America on 11th of September 2001. Every year ^{people} are being killed, about fifty people in European Union, about ten people in the United States of America, about seven people in China and upto 25,000 people globally (mostly in Iraq, Afghanistan, Pakistan, Nigeria and Syria).

Terrorist have conducted so many attacks in Pakistan, one of them is tragedy of Army public school Peshawar. It was very heart warming and terrible tragedy. On 16th of December 2014 terrorists have killed 156 people including 132 schoolchildren and teachers in Army public school in Peshawar.

heart warming is positive
it was heart wrenching

Pak Army and SSG Commodore gave mouth watering answer and bravest Army killed dangerous terrorist and sent them to the hell. After then Pak Army launched operation Zarb-e-Azb against terrorists.

Pakistan is almost free from terrorism. So far. Another terrorist had conducted attacks like the
