~~Ms~~ Helen, while addressing Mr. West asked that what had happened to John. Mr. West answered Helen and that he had left the company. Helen out of the curiosity asked the reason for his quitting job. Mr. West blamed John and said he had asked for ^{a raise} promotion but he didn't had not given. Helen again asked the reason for not granting promotion to John. Mr. West again blamed John for his laziness. Helen inquired if he had found another job. Mr. West said out of pride that yes, John had found a job in a film company. Helen showed her concern for John and asked for about his salary amount. Mr. West made a guess and said he earned well. Helen further asked about John that whether he liked the new job. Mr. West annoyingly said that he did not know.
