English Precise & Composition - 2016

Translation of Urdu into English:

Common People ^{are} ~~is~~ of the view that law and freedom in a country are opposite to each other. Apparently ~~this~~ ^{this does not seem wrong} seems not to be wrong, because

every law imposed some sanctions on citizens. If there are more

Jurisprudence ^{law} in a country, then collectively sanctions will also be greater in number.

Freedom of an individual is badly ^{hindered} ~~affected~~ by more limitations. Apart

from this, the citizens enjoy their freedom, if the number of Jurisprudence ^{laws} are less in number.
